OLD BUSINESS

NEW BUSINESS: Obtaining a prepaid credit card and the amount to cover our webpage and email. Charlie and Sue met with Chris at MOVTI to arrange for the billing to be on our new prepaid card.

Program: Sue will give us an update on getting the progress on getting information on our history book digitized. Sue will lead a discussion on the development of a plan to get our history book able to be electronic. Sue has taken our history book to Sir Speedy to get a cost of them digitizing it.

Reporting on the annual fundraiser by Charlie Elder and Dan Boley.
